Outstanding Alumni of 2014

Karen Keith, a 1970 CHS graduate, was recognized as the CHS Alumni Association's 2014 Outstanding Alumni at the high school's Academic Excellence Banquet on April 23.

Karen spends countless hours taking pictures at CHS sporting events. In fact, she has submitted over 50,000 photos to the CHS staff for their use!

It has been rare to attend a sporting event and not see Karen taking photos of CHS athletes and fans.

She has also taken senior pictures for a number of CHS students, helping to make their

high school experience even more memorable.

Karen is a lifetime Clinton resident, mother of two, and grandmother of three. She has also worked with the MU Extension Youth Program.

She joins Marvin Rhoades and JC Smith as recipients of the annual award.

Have a Suggestion for the Name of the New Middle School Media Center?

The CHS Alumni Association Board has been asked by the Clinton School District Board of Education to recommend a "name" for the new Middle School Media Center, which will be completed this fall.

The Alumni Association Board wants to hear ideas from the community about who the new media center should be named after. This needs to be a person who has greatly contributed to the Clinton School District and the Clinton community. Several suggestions have been submitted, but many more ideas are welcome.

To submit a recommendation for the media center name, please email alumni@clinton.k12.mo.us or fill out the form under the "events" tab on ClintonCardinalAlumni.com.
