## A Fun Fall for CHS Alumni

Over 140 alumni association members attended a barbeque tailgate before the homecoming football on September 27.

The crowd enjoyed great food prepared by Brown’s BBQ and were entertained by the CHS band, pom squad, cheerleaders, and alumni association board members.

The alumni association also partnered with the Clinton Technical School for a unique event on October 13. Community members were invited to tour the Tech School, interact with students, and enjoy food prepared by the staff.

To receive frequent updates on events like these, become a member today. To join, visit Rhoads Fashion Boot on the square or go to the alumni association’s website (a link can be found on [www.clinton.k12.mo.us](http://www.clinton.k12.mo.us)).

Take the opportunity to join, or get involved if you’re a member!

Members Ron Aldridge and Dennis Seger having a great time at the BBQ.

Head Football Coach Chris Smoot speaking to association members.

The CHS band, cheerleaders, and pom squad putting on a great performance for attendees.

# Reunion Recaps and Previews

The CHS Class of 1963 held their 50-year reunion during homecoming. The class donated a beautiful painting to the high school, which was created by class member David McQuitty. The painting can be viewed in the main display case in the CHS commons. Members of the 1963 class also got an exclusive tour of the new high school. The alumni association encourage classes to celebrate their reunions during homecoming, like the Class of 1963 did!

Two other CHS classes also recently celebrated milestone reunions. The CHS Class of 1968 held their 45-year reunion this fall (top picture), and the Class of 1973 celebrated their 40-year reunion on August 6 and also participated in the homecoming parade in September (bottom picture). The school district encourages classes to participate in the annual homecoming parade!

The Class of 1964 has released dates for their 50-year reunion in 2014. The event will be held from Sept. 26-28.

Contact Shelia Lilleston (dualconnection@cox.net) with questions.

To have your reunion info shared by the alumni association, please email [alumni@clinton.k12.mo.us](mailto:alumni@clinton.k12.mo.us).

## Get Ready for Court-Mat Warming!

The alumni association is planning an exciting night for Court-Mat Warming, which is set for Friday, February 14. Mark your calendar! The association will be honoring the 1993 Cross Country State Champions at that night's basketball game. Members of the team include Emily Miles Kazmier, Emily Sledd Brown, Mindy Wyatt Hill, Amber Houk Lautenschleg, Jamie Alexander Smith, Amber Harrell Woodrome, Leigh Sexauer Thompson, and Samantha Russell. The team was coached by Clint and Karen Sanders. The alumni association is looking for members of this team. These former student-athletes should email [alumni@clinton.k12.mo.us](mailto:alumni@clinton.k12.mo.us) to RSVP. Alumni association members who are employed by the school district will be honored that night, too. Also, there will be an alumni celebration after the game; more details to come later.
